Continental AG

Job-Titel:
Corporate IT Graduate (Trainee) (m/f/diverse) - September 2020

Job-Beschreibung
Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent, and affordable solutions for vehicles, machines, traffic and transportation. In 2018, Continental generated preliminary sales of around €44.4 billion and currently employs around 244,000 people in 61 countries and markets.

Description
Shape your own, individual IT Career Path with us!

The Corporate IT Graduate Program starts on September 1, 2020 and we are hiring in our headquarters in Hanover, Germany, with work options in various German locations.

The program provides you with a fast track into Continental's IT organization. As part of a multicultural and high-performing Graduate team, you will work on a broad variety of state-of-the-art IT solutions on an international level.

Based out of Hanover, Germany, you will complete four six-month assignments in different IT departments and locations, of which one is abroad. These assignments will provide you with challenging projects and tasks to help prepare you for a successful future within our IT organization. Your on the job learning will be coupled with a series of specialized trainings which will accelerate your personal and professional growth.

Your job placement after the IT Graduate program depends on your individual strengths and areas of interest. Choose from a large variety of IT fields: IT applications, Big Data, Cloud Solutions, Internet of Things, IT architecture, project management or many more.

Your future. Your choice. Your Program
