Red Hat GmbH

Job-Titel: Working Student - Werkstudent, Sales and Marketing

Job-Beschreibung

Come work with creative, passionate people. The Red Hat Sales team is looking for a Sales and Marketing Working Student (Werkstudent) to join us in Frankfurt, Germany. In this role, you will have diverse responsibilities, including being part of an international project, organizing the most memorable IT events in Germany, serving as a point of contact for our social media efforts, or supporting your colleagues with your creativity and enthusiasm for success. In order to implement our internal strategic projects optimally, we need your support. You will define the value you bring to our organization and your creativity will be required for the development of innovative ideas and concepts. This role requires you to work 10-20 hours per week during your semester.

Job Responsibilities

- Perform project work in the areas of sales and marketing
- Support event management for our German events
- Support the country manager in projects, data analysis, and presentation work

Anforderungsprofil

- Creative approach to the development of innovative ideas
- Great communication skills
- Enjoy working independently and in teams
- Student of bachelor’s or master’s degree in relevant field
- Committed and ready to work in a highly competitive and challenging environment
- Perseverance to work on long-term projects
- Fluent language skills in German and English
